

Photography Policy

The purpose of this policy statement

We love capturing the special moments music brings. These photos create lasting memories and help us share our love for music. When you let us photograph your child, you're trusting us. We promise to be respectful and real, never forcing poses just for a picture.

By consenting to us capturing images, you:

- Grant Music in Unison permission to photograph and/or capture recordings during classes and events.
- Understand that we may use these photographs and/or recordings for promotional purposes, including but not limited to social media, websites, publications, and advertising materials, to showcase your joy and enthusiasm and highlight your participation and contribution.
- Acknowledge that Music in Unison owns all rights to the photographs and/or recordings and may use them without further approval or compensation.
- Release Music in Unison from any claims, demands, and liabilities concerning using the photographs and/or recordings.
- Certify that you are over 18 years of age and have the legal authority to grant this consent or that you are the parent or legal guardian of the individual attending and have the authority to grant this consent on their behalf.

We are committed to reviewing our policy and good practice annually.
